MEMBERSHIP FORM

By joining the Branch you automatically become a member of the PRSA (www.prsa.org.au). The Society works to have committees, municipal councils, parliaments etc. elected by quota-preferential proportional representation. Branches of the Society cover all States and the Australian Capital Territory. Your membership and, if you also wish, your involvement in conveying our point of view to Governments, "Letters to the Editor", etc. would be greatly appreciated. Members will be notified of the time and place of our Annual General Meeting and will be sent our quarterly newsletter *Quota Notes* free (when it is again published).
